# Phase 3

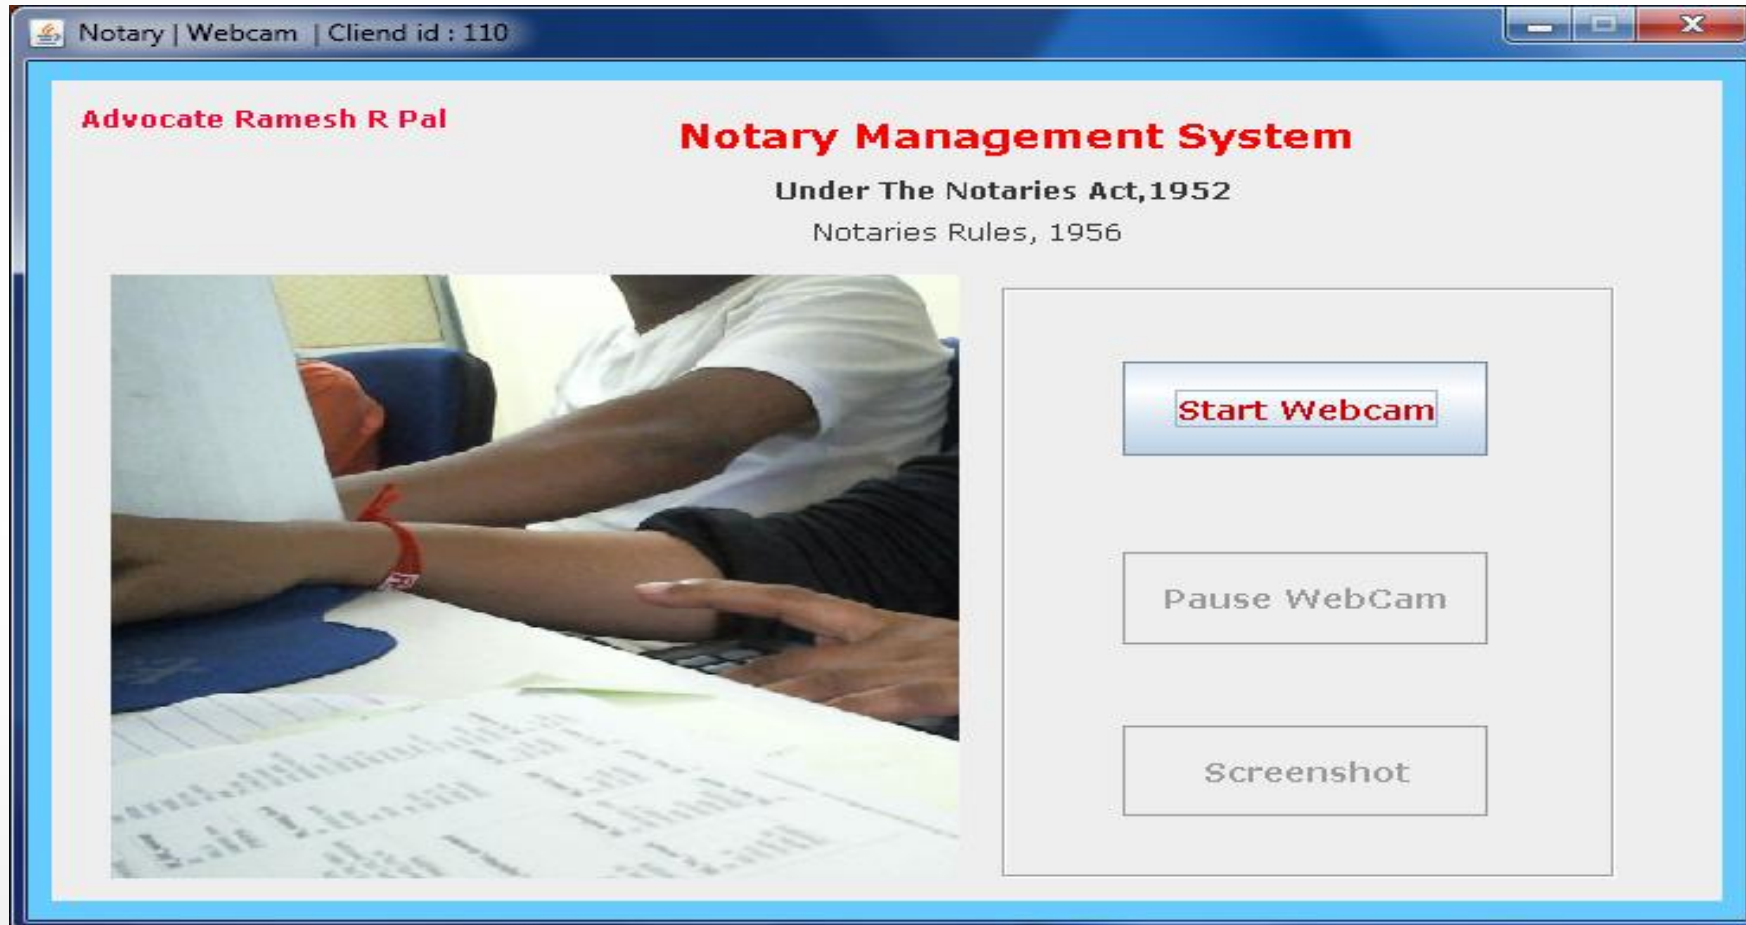

## Capture Client Profile using webcam

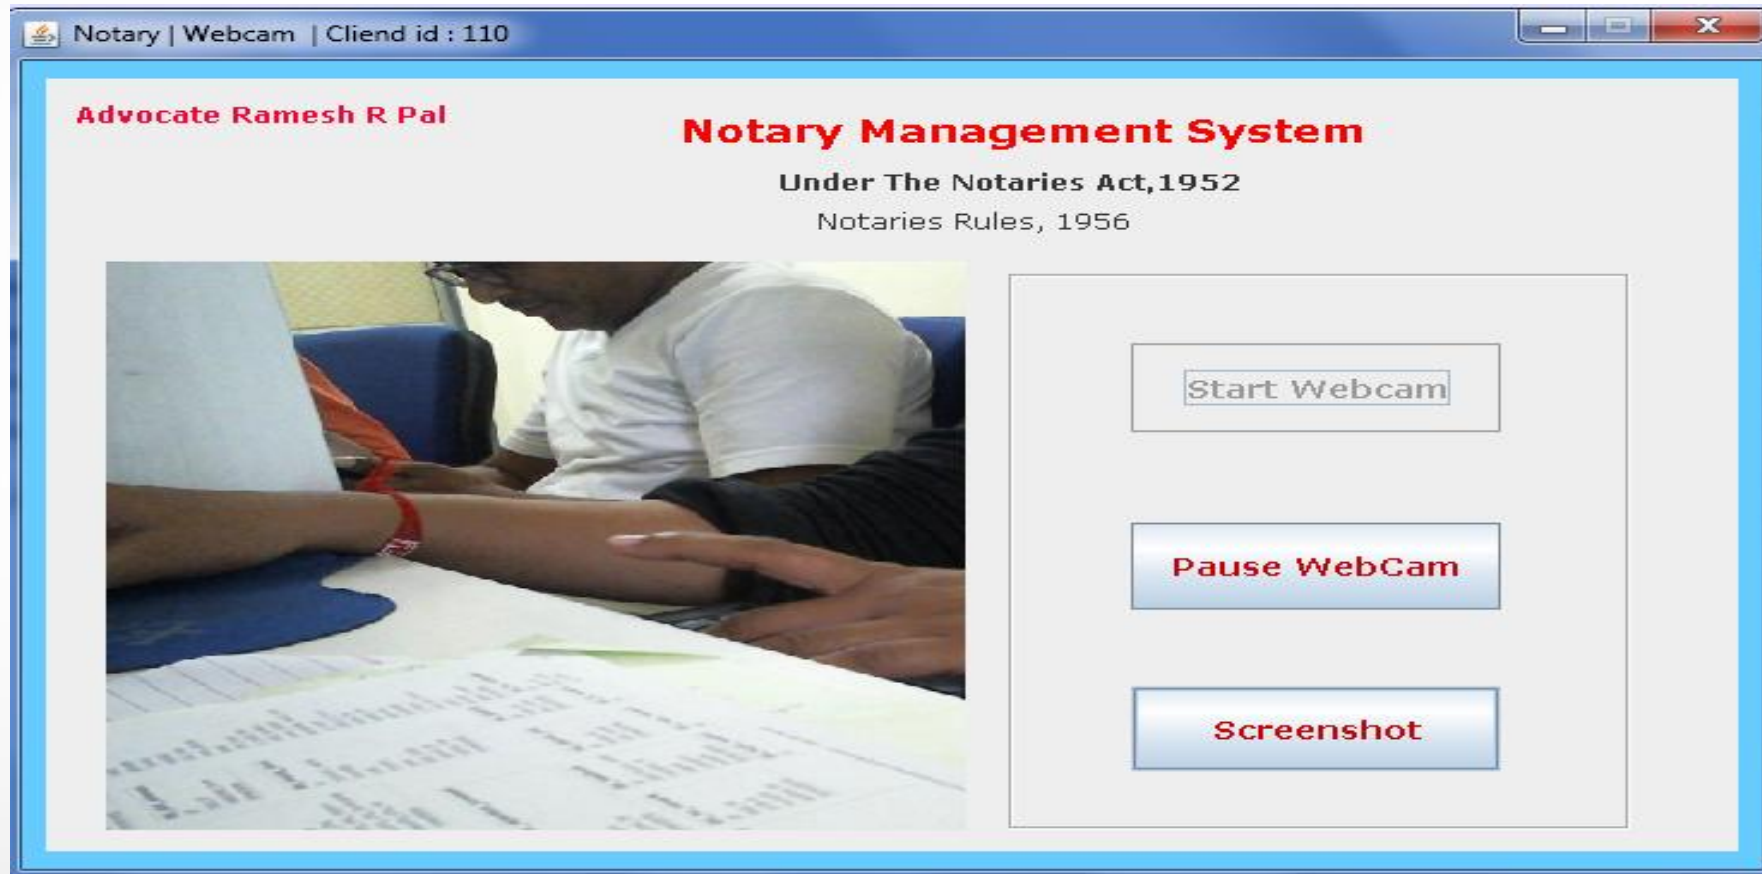

### 3.1 using webcam user can capture photo

### 3.2 when webcam is paused user cannot capture his photo

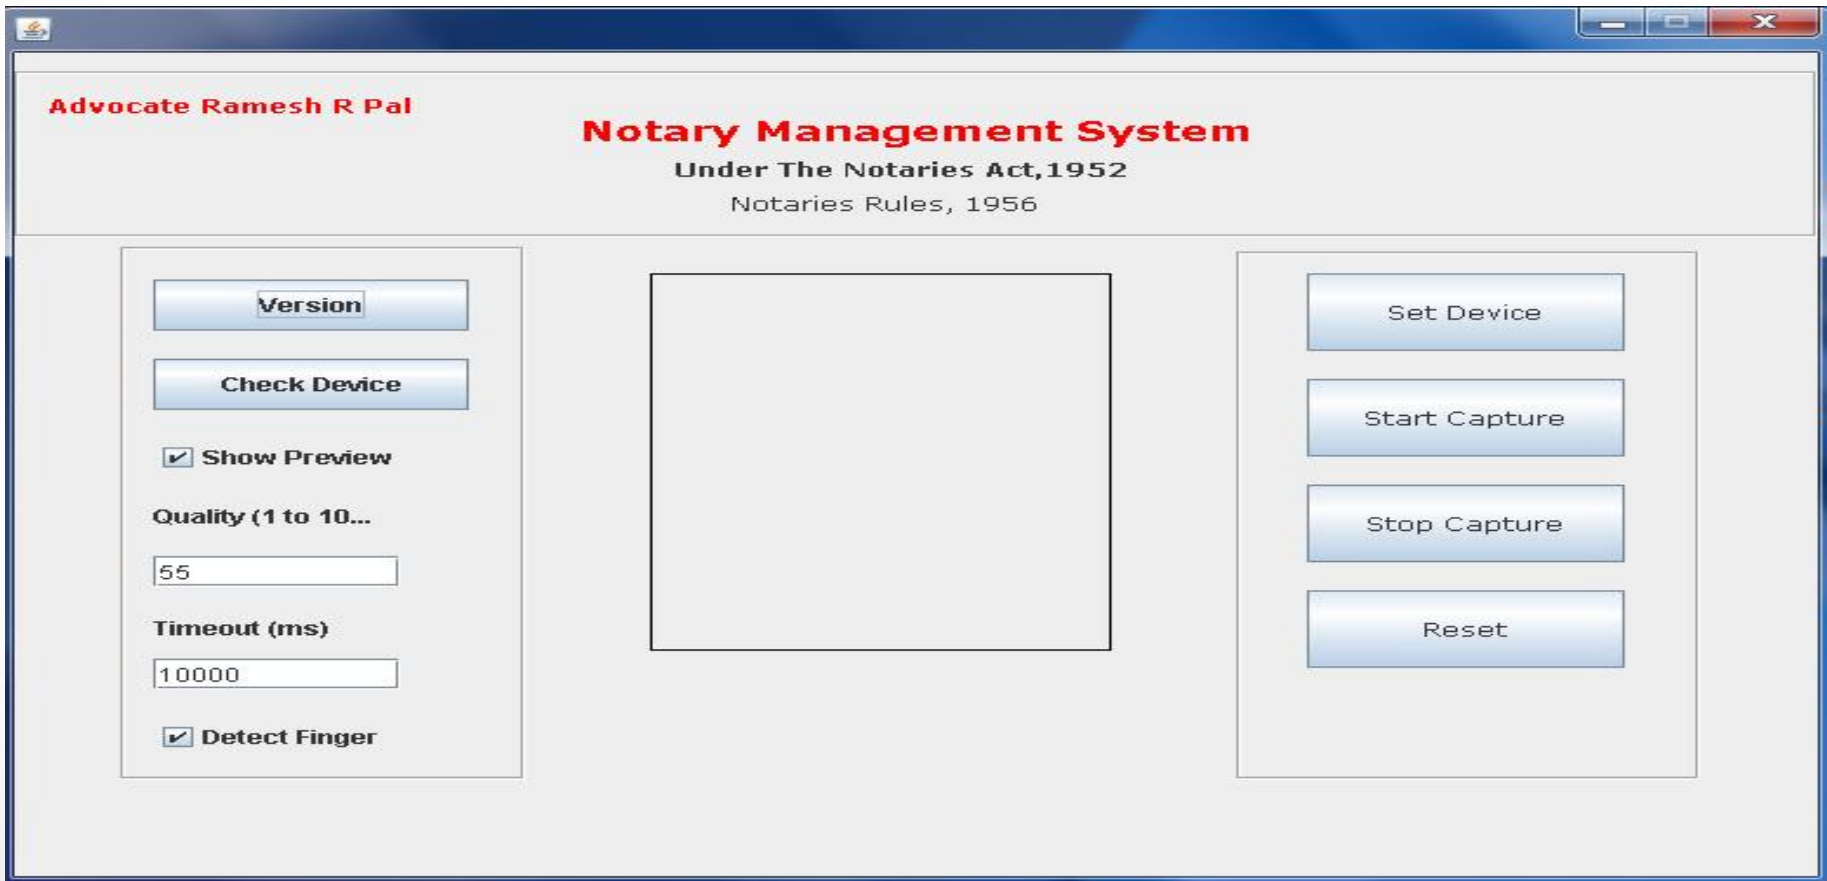

3.3 when user will press on screenshot user photo will capture.

# Phase 4

## Finger Print Capture Stage

The screenshot shows a software window titled "Notary Management System" with a subtitle "Under The Notaries Act, 1952" and "Notaries Rules, 1956". The user name "Advocate Ramesh R Pal" is displayed in the top left. The interface is divided into three main sections: a left sidebar with configuration options, a central capture area, and a right sidebar with action buttons.

**Left Sidebar (Configuration):**

- Version:** A button to view the software version.
- Check Device:** A button to verify the connected device.
- Show Preview:** A checked checkbox to enable a live preview of the fingerprint.
- Quality (1 to 10...):** A numeric input field set to 55, representing the required fingerprint quality.
- Timeout (ms):** A numeric input field set to 10000, representing the capture timeout in milliseconds.
- Detect Finger:** A checked checkbox to enable automatic finger detection.

**Central Area:**

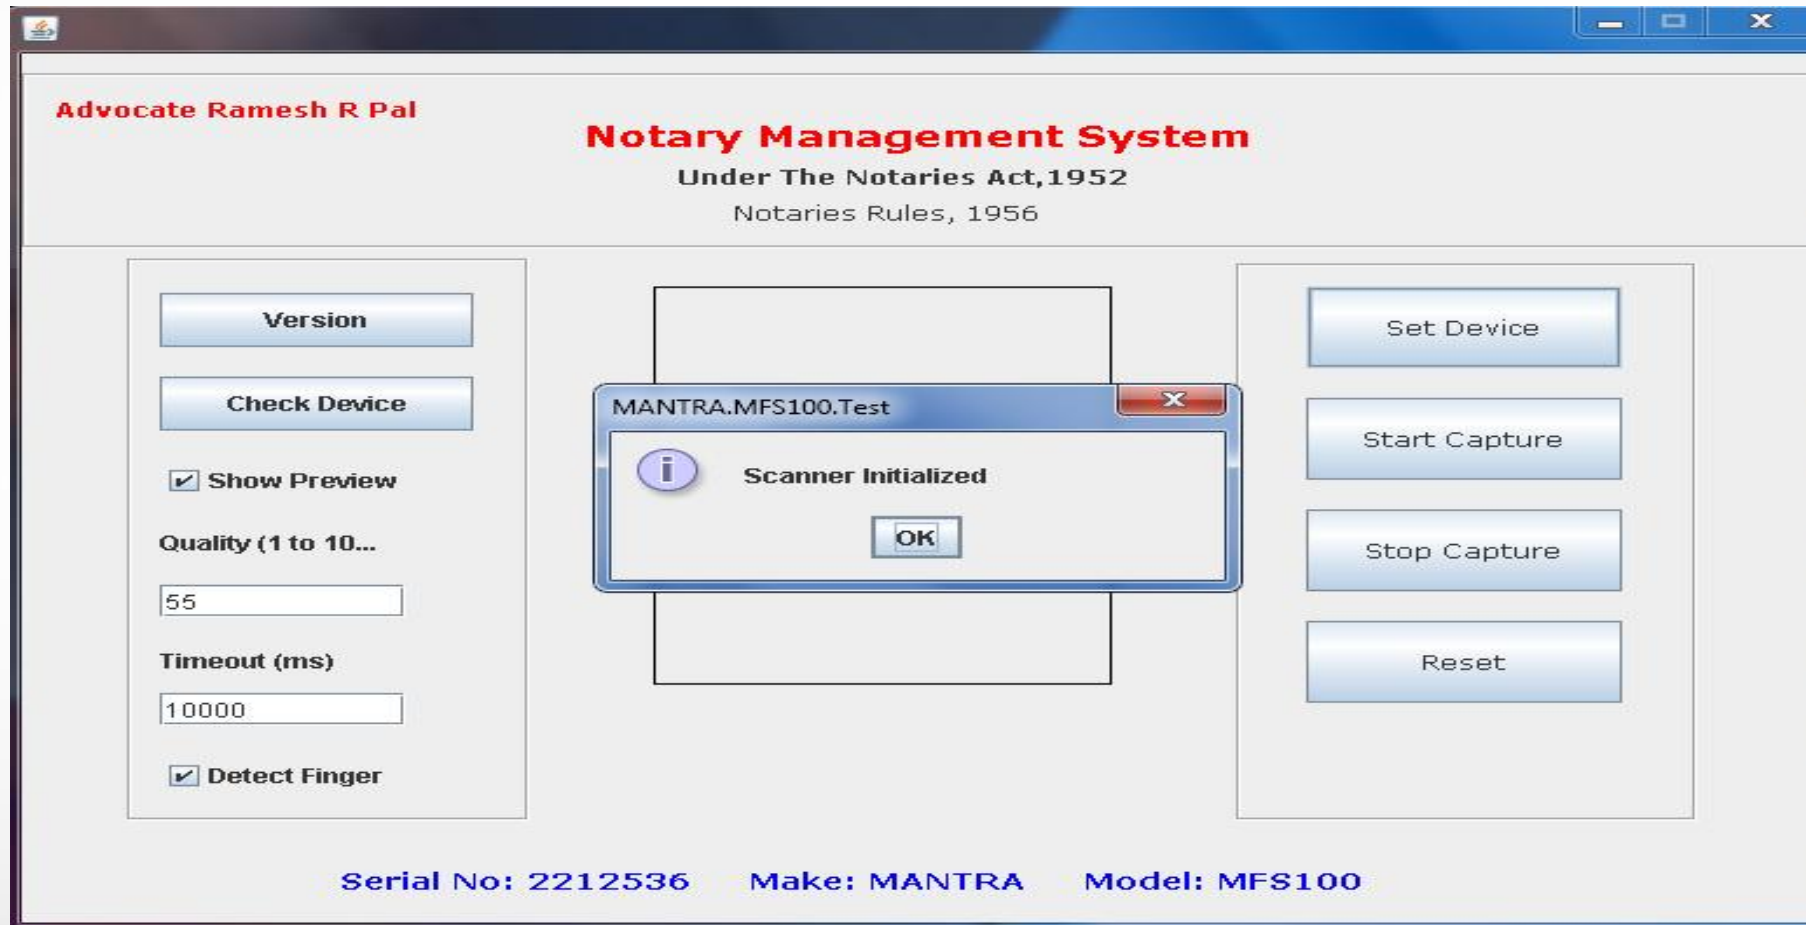

- A large, empty rectangular box intended for the live video preview of the fingerprint capture process.

**Right Sidebar (Actions):**

- Set Device:** A button to select or configure the fingerprint scanner.
- Start Capture:** A button to initiate the fingerprint capture process.
- Stop Capture:** A button to terminate the current capture attempt.
- Reset:** A button to reset the system to its default state.

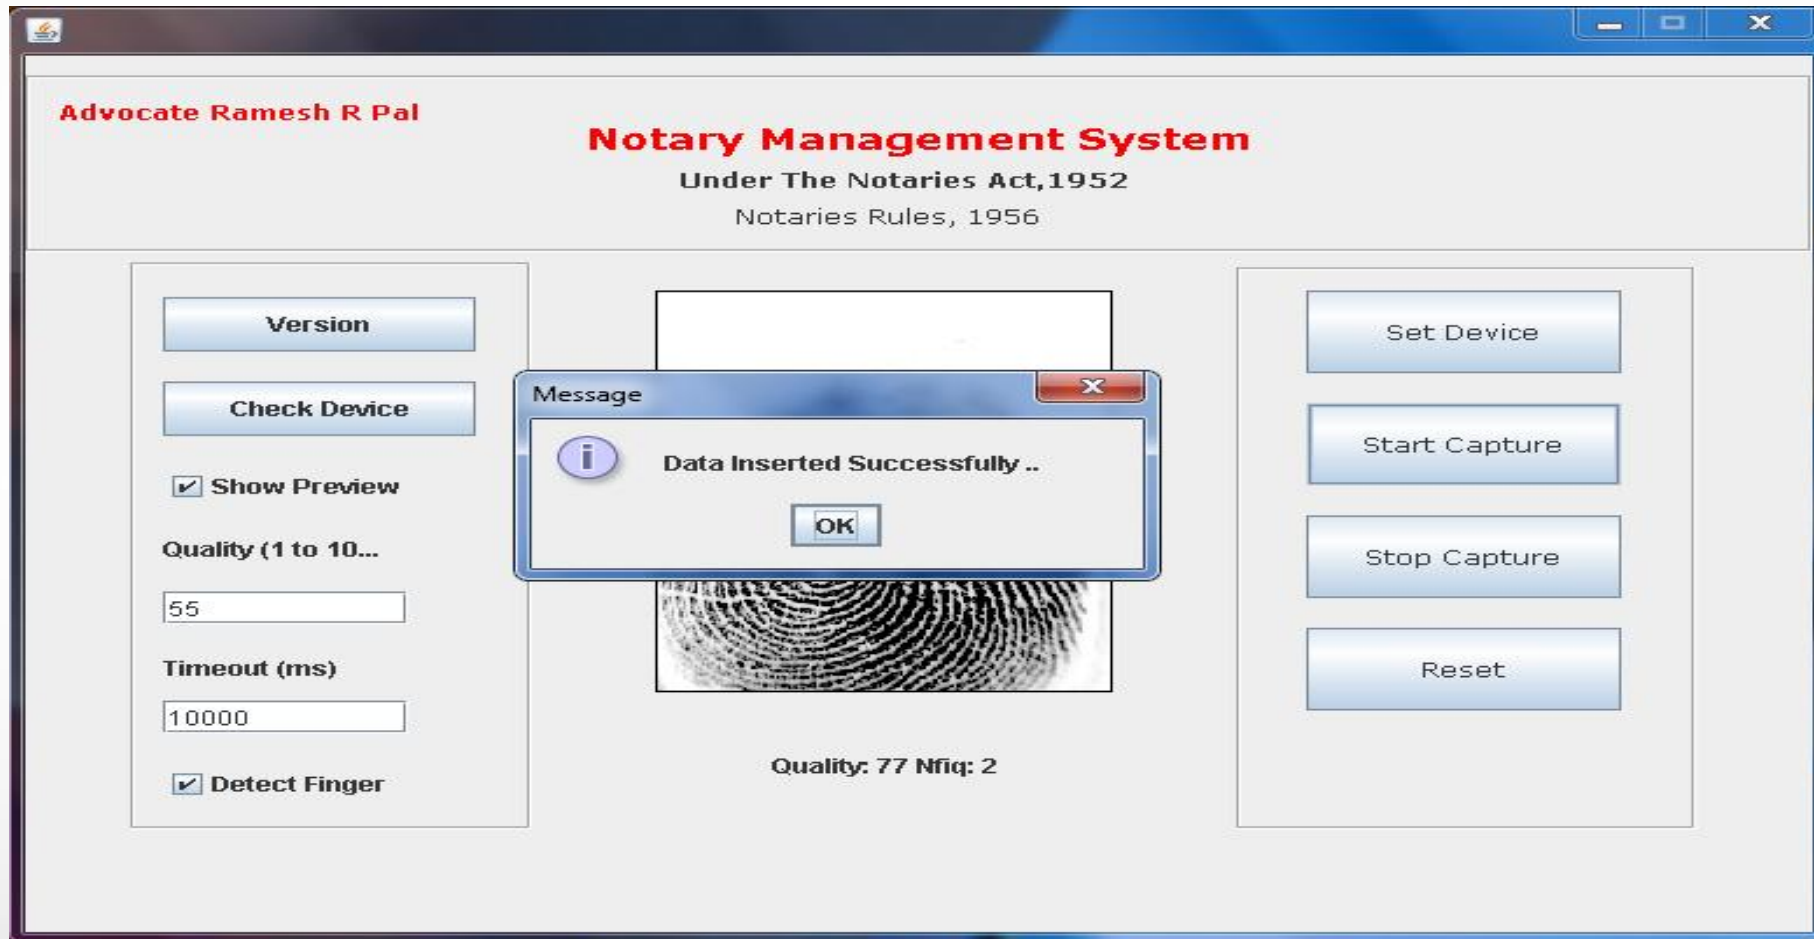

# Phase 4.1

First initiaze the device for capture mode

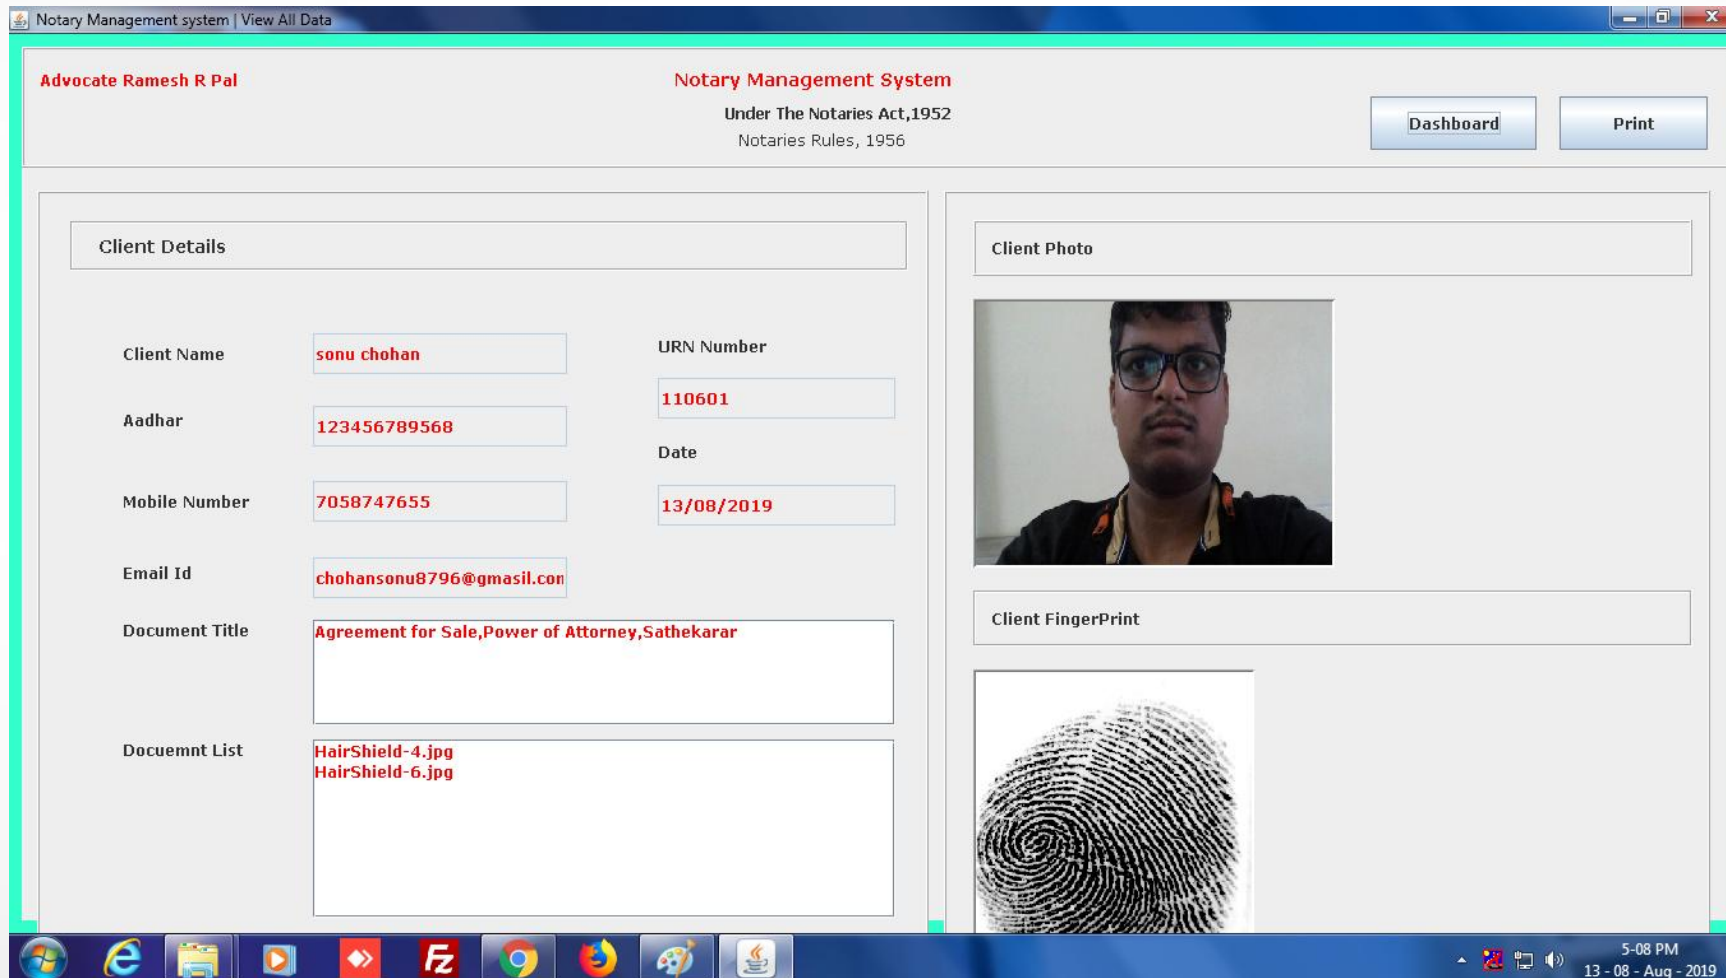

## Phase 4.2

After successful capturing data message window will popup

## Phase 4.3

After capturing over all profile is shown in single screen

The screenshot displays the 'Notary Management System' interface. The title bar indicates 'Notary Management system | View All Data'. The main header shows 'Advocate Ramesh R Pal' and 'Notary Management System Under The Notaries Act, 1952 Notaries Rules, 1956'. There are 'Dashboard' and 'Print' buttons. The interface is divided into two main sections: 'Client Details' and 'Client Photo'. The 'Client Details' section contains fields for Client Name (sonu chohan), URN Number (110601), Aadhar (123456789568), Date (13/08/2019), Mobile Number (7058747655), Email Id (chohansonu8796@gmail.com), Document Title (Agreement for Sale, Power of Attorney, Sathekarar), and a Document List (HairShield-4.jpg, HairShield-6.jpg). The 'Client Photo' section shows a photo of a man with glasses. Below the photo is a 'Client FingerPrint' section showing a fingerprint image. The Windows taskbar at the bottom shows various application icons and the system clock indicating 5:08 PM on 13-08-Aug-2019.
